Teaching Experience

Teaching Assistant, University of Washington

CS&SS 569: Visualizing Data and Models (Graduate) – 22W¹

CS&SS 512: Time Series and Panel Data for the Social Sciences (Graduate) – 24S

CS&SS 510: Maximum Likelihood Estimation (Graduate) – 23F, 24F

CS&SS 321: Data Science and Statistics for Social Sciences I (Undergraduate) – 23S, 24W

POLS 249: Introduction to Labor Studies (Undergraduate) – 23W

POLS 371: Global Crime And Corruption (Undergraduate) – 21S, 22S

POLS 270: Introduction to Political Economy (Undergraduate) – 21F, 22F

Teaching Assistant, ICPSR summer program, University of Michigan

Panel Data and Longitudinal Analysis (Graduate) – 24SU

Work Experience

Research Assistant, various appointments, (≈ 3 months)

¹Note: two-digit numbering denotes the year, while letters represent academic quarters: F for fall, W for winter, S for spring, and SU for summer.

Survey panel data modeling and analysis of racial attitudes in the U.S.A. – 2022 (Prof. Christopher Parker)

Text-as-data analysis in fiscal policy bargaining under the EU-SGP – 2019 (Prof. Nicole Baerg)

Research analyst - data scientist, University of Essex (9 months)

Department of Mathematics, Catalyst Project - Risk Stratification Team.

Main role: predictive machine learning modeling and analysis – 2019 (Prof. Aris Perperoglou)

Auditor and technician of quality management systems, Pino Automotive Group (2013-2017)

Before going back to the academia, I worked for almost four years in the automotive-manufacturing sector.

For more information, please contact me or my previous employer, mr. Manuel Hernandez Cudos.

Conferences

American Political Science Association (APSA) Annual Meeting – 2024

Working papers

1. Labor Union Solidarity, Risk-Dependent Altruism, and Demand for Redistribution in Europe. (*under review*.)
2. Bayesian Rank Likelihood Estimation to Address Measurement Error from Ordered Categorical Data. (*in progress*)
3. Precarious Labor, Income Insecurity, and the Rise of Populism in the United Kingdom and Germany. (*in progress*)
4. What's in a Name? Naming Practices as Acts of Political Resistance. (with Asli Cansunar, Nela Mrchkovska, and Can Bodrumlu; *in progress*)

Software & Programming Skills

Advanced: R

Intermediate: L^AT_EX, Stata, Python

Beginner: Git/Github

Grants & Fellowships

2024 – Richard B. Wesley Graduate Fellowship in Political Economy (ca. \$2,000)

2022 – Margaret Levi and Robert D. & Kaplan Graduate Fellowship in Comparative Political Economy (ca. \$2,000)

2020 – Harry Bridges Center for Labor Studies: Graduate Recruitment & Fellowships (ca. \$6,000)

2020 – Center for Statistics and Social Sciences: Hubert M Blalock & Fellowship (ca. \$3,000)

Language

Native: Catalan, Spanish.

Fluent: English.
